## DESEO

We're over halfway through the school year! This month I taught about leadership, responsible freedom, and self esteem. June 25 - 28 a brigade came and taught about when God called Moses from the burning bush, and June 29 we had a day of fun in Corquin. We put on a skit, played basketball and soccer, and did various other activities to have fun with our students.

**CANTO**

Things are going well with the children's choir. We had our first concert of the year Saturday, June 16th and they did an amazing job! The title of the concert was "Orgullo Catracho" or "Honduran Pride." Brittany needed to return to the states, so Dakota Nowell is now the director of CANTO. Every week, the kids memorize a verse from Proverbs, practice songs, and learn music theory. We are currently working on teaching them to sight-read music.

I designed a puzzle to teach the kids a Proverb. The verse was about how knowing God gives wisdom as a result. They all worked together to finish it.

#### Visitors and Roommates

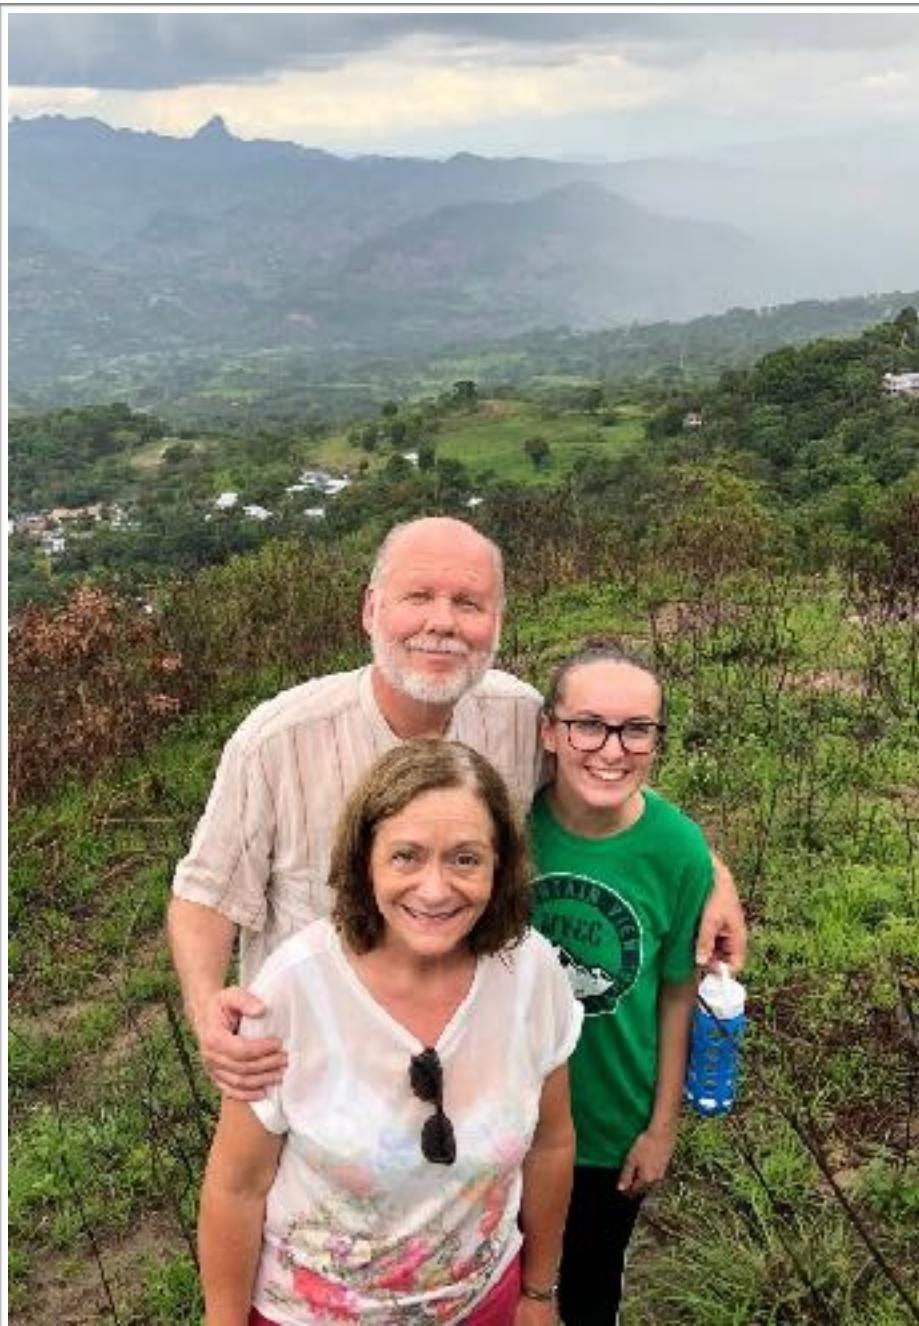

By the end of May, Abbie Wilson and Brittany White had moved out of the AIM house, and two new AIMers and two summer interns moved in. We miss Abbie and Brittany, and we're enjoying our new roommates.

The 30th of June we hosted 12 girls in our house for a sleepover (plus the 6 of us that live in the house for a total of 18.) The purpose of the sleepover was to foster unity among the youth group girls.

I loved having my parents here from June 9th to 23rd. Not only did we thoroughly enjoy our time together, I also put them to work! They helped me put together some table centerpieces for a teacher training event that DESEO hosted the week after they left.

## PRAYER REQUESTS

- I'm so grateful for all the visitors we had in June, including David Guill and Jaret Zepeda. They spiritually encouraged us in a huge way.
- That I would continue to think healthier thanks to counseling and medication.
- That I would grow to be more spiritually disciplined. I recently described my relationship with God as a marriage where I don't doubt for a second the love and commitment, but the intimacy is lacking because I got busy and distracted. So please pray for that relationship to grow closer again.
- Please pray for the hearts of the people in the church here who have already been baptized, but who are discouraged or distracted by the world. Please pray that the Holy Spirit would be welcome in their lives.
- Please pray for unity in the youth group, especially amongst the girls.
